FPL Adopts a Library for 11th Annual Tellabration!

Just as we did after Hurricane Katrina, FPL is joining the American Library Association's Adopt-A-Library program to help a library struck by disaster. We have adopted the Lota Library in the Bio Bio region of Chile. On Feb. 27, the library, located 550 km south of Santiago, was damaged by earthquake tremors. We'll devote the proceeds of Tellabration! on Saturday, Nov. 20, 2 p.m. to this relief effort. Attentive listeners of all ages are invited to join us for stories from Chile & other South American countries & cultures. Contributions for Chile's libraries can be made at the library now, at Tellabration!, or donors may visit www.ala.org/chile to download a form.
