

Friends of the Florida Public Library Membership

The Friends of the Florida Public Library is an organization of volunteers who work together to promote and expand the library's programs, resources and services for all people in the community. The Friends serve as a link between the library and the community. Membership in the Friends group is a great way to support Florida Public Library.

There are five yearly membership levels to fit most budgets and needs. Join the Friends and help your library. New members and new ideas are always welcome. Membership is Oct. 1 through Sept. 30
